

Nebraska Junior High School Rodeo New Member Instructions

Online Membership Application Process Everyone is required to become a member this way!!!

You will need to go to the National Membership Portal. <https://nhsra.equestevent.com/>

From the website use the “New to NHSRA?” login box. Before you jump right in, I recommend watching the “New User Signup Demo Video”!

When you get to the point of creating a Username and Password be sure to write them down as you will need them to sign in to your personal page on the Portal for the remainder of you High School Rodeo career!

As you complete you and your parent’s info it will create a National Membership Application and National Minors Release Waiver of which both need printed off, signed, notarized and uploaded back into your portal page. There is a documents section towards the bottom where you can upload all your documents including your grade transcript. At this time please upload your Nebraska Membership Application and your Current Grade Transcript as well. You will pay the National fees of \$80 on the portal.

Please note: Your membership is not complete until all your forms are uploaded, and Stephanie receives your Nebraska Membership Application and your \$50 membership dues.
